

Re: The Commercial Agency

To whom it may concern:

Rodda Paint Co. has been doing business with The Commercial Agency since March 2000. Their personnel are professional and consistently concerned with providing the best possible service to our company.

If you are looking for a company to send your "collection" accounts, I would recommend you give consideration to The Commercial Agency. If you need additional information call me @ 503-521-4325.

Sincerely,

Shawn Levesque
